

## Community Partners in Education

A.C. Gilbert's Discovery Village is pleased to announce the creation of its new Community Partners in Education program. Upon joining the program, youth-oriented non-profits and Head Start and Title I schools in the Salem/Keizer school district may choose educational classes that are provided by Discovery Village for their students.

The partner organization can book the *equivalent of twelve classes at 50% off, with a minimum of 6 class hours required*. There are no upfront costs to becoming a Partner in Education. Discovery Village offers a variety of classes in the *Arts, Sciences and Humanities*. Most classes are an hour in length and are designed for 25 participants.

The museum also offers longer programs for larger groups:

- **Family Discovery Program** (the most popular) can reach up to 250 participants and lasts an hour and a half. This is the equivalent of four regular classes.
- **Science & Art/ Math & Art for a Crowd** can reach up to 100 participants and is \$100/hour for partners. This is the equivalent of two regular classes.

As a Partner in Education your organization receives *50% off* your package of educational classes and programs. After finishing the program all additional classes are *30% off* during your partner year.

For a listing of all classes and programs please see our website [www.acgilbert.org](http://www.acgilbert.org). Our program guide is under the program tab.
